

## **CONFERENCES**

A National Conference on “Rejuvenating SHGs” was organized by CSREM on Nov 4-5, 2009. Prof Malcolm Harper, one of the world famous micro-finance gurus conceptualized and conducted the conference. The conference was addressed by practitioners in the fields of SHG and Micro finance in the form of panel discussion. The paper readers represented a cross section of practitioners and academicians and representatives of the Government. A case record and the papers of the conference were brought out as two distinct publications during the conference.
